Basic principles of car-sharing at CERN

• The car-pool is available to members of the CERN personnel and contractors’ personnel who have:
  • a contractual link with CERN,
  • an e-mail address registered in the CERN database,
  • authorisation to drive a CERN vehicle (V permit).

• Register with the car-pool at Building 130 (RFID card)
• Bookings can be made at https://www.mobility.ch/en/login/
• Use for professional purposes only
• Conditions of use: Operational Circular No. 4
• Cars may be booked continuously for up to 4 hours per day
• Drop-off at the same location as pick-up
Locations of the car-parks

The cars available in these locations must be booked:

- either on the internet (https://www.mobility.ch/en/login/),
- using the Mobility car app,
- or through the 24/7 Mobility services switchboard (0848 824 812).

The cars are accessed using the Mobility card. Please keep your Mobility number and PIN code with you at all times.

Changing a booking

• You can change your current booking using the on-board computer

• Either:
  • on the internet (https://www.mobility.ch/en/login/),
  • using the Mobility car app (https://m.mobility.ch),
  • or through the 24/7 Mobility services switchboard (0848 824 812).

• If an extension of your booking is not possible, please contact the 24/7 service switchboard immediately. Measures will be taken for the next user.
Cancelling a booking

• Either:
  • on the internet (https://www.mobility.ch/en/login/),
  • using the Mobility car app (https://m.mobility.ch),
  • or through the 24/7 Mobility services switchboard (0848 824 812).

It is always possible to cancel a current booking through the on-board computer.
On-board computer

- Safety and access control
- Activation and deactivation of the central locking system
- Modification of the current booking
- Deactivating the immobiliser by swiping the RFID card on the checkpoint
- Emergency call to the 24/7 Mobility Services switchboard
Before travelling

• Check for any existing damage before travelling. If any, immediately report it to the car-pool and mention it on the log book stored in the glove compartment;

• In the glove compartment of your vehicle, a so-called RFID card replacement is available. This can be used in exchange for your defective or broken card. It must be enabled by calling the Central Services Mobility 24/24 (0848 824 812). It then becomes your main card upon activation. You will be serviced remotely and immediately.
While using a car from the pool

• Should you need fuel, use the CERN fuel card attached to the car-key
  • Meyrin filling station located at Building 130
  • Prévessin filling station located at Building 867

• If the ignition is switched off for more than 2 minutes, the anti-theft system is activated and the vehicle will not start. Deactivate the anti-theft system by swiping your RFID Mobility car over the reader on the windscreen.

• Always open and close the vehicle using your RFID Mobility card.

• To extend your booking, use the dedicated app or the on-board computer.

• If an extension of your booking is not possible, please contact the 24/7 service switchboard (0848 824 812) immediately. Measures will be taken for the next user.
When you’ve finished

• When you’re ready to return the car, please drop it off at the same place as you picked it up,

• Cut the engine,

• Switch off the headlights and any other electrically-powered device. Put the key in the glove compartment or in the place indicated. Place your Mobility card on the Mobility Checkpoint located on the outside of the windscreen until the central-locking system is activated.

• If you’re returning the vehicle before the end of the booked slot, terminate the booking by pressing on the ResEnd button on the on-board computer and confirm by pressing: Yes,

• Return the vehicle key to the glove compartment for the next user,

• Lock the doors by swiping your Mobility card over the Checkpoint on the windscreen.
IMPORTANT!

• In the interest of all users, please abide by the following rules:
  • Keep the vehicle clean
  • Immediately report any damage to the car-pool
  • Return the vehicle on time
  • Cancel or terminate your booking if you no longer need the vehicle
  • Do not exceed the 4-hour maximum period of use
  • Please always leave the fuel tank at least a quarter full

We’re counting on you!
