Conditions governing the use of CERN cars in the framework of the CERN car-sharing service

Article 1 - Scope and definitions

1.1 The purpose of this document is to define the conditions of use of CERN cars in the framework of the car-sharing service.

1.2 The CERN car-sharing service (the "Service") provides authorised users, as defined below (the "Users"), with CERN cars on a self-service basis.

1.3 The following terms are used in this document:

- **CERN car-sharing service**: a fleet of cars belonging to or rented by CERN and made available in the framework of its car-sharing scheme.
- **CERN site**: all of the land made available to CERN by the State of Geneva, the Swiss Confederation and the French State.
- **Fenced part of the CERN site**: the fenced areas of the CERN site, including the underground facilities.

Article 3 - Conditions of use

3.1 Booking

3.1.1. Members of the CERN personnel and contractors' personnel wishing to use the Service must first obtain an RFID card, which can be collected from the CERN Car Pool on presentation of a valid CERN access card; to access the on-line car reservation website: (https://www.mobility.ch/en/login/).

3.1.2. Users of the Service can modify or cancel any reservation they make (provided that they do so before the planned starting time).

3.2 Once they have made a reservation, Users are bound by the general and special conditions of use defined below. Failure by a User to abide by these conditions may result in disciplinary action as defined in Chapter II, Section 5 of the Staff Rules and Regulations.

3.2.1 The following general conditions of use shall apply:

3.2.1.1 Use of CERN cars is governed by the provisions of Operational Circular No. 4 and document DSU-OF/DO/RH/68331;
3.2.1.2 In all cases, use of the Service requires authorisation by the User's Department head or team leader (authorisation to drive a CERN vehicle – plus a Mission order if the vehicle is to be driven outside the authorised perimeter – plus an authorisation of journey CERN/place of residence).

3.2.2 The following special conditions of use shall apply:

3.2.2.1 To be authorised to use the Service, Users must, in addition to meeting the conditions set out in paragraph 3.1 above:

- be a member of the CERN personnel2 or a member of the personnel of a contractor authorised by CERN to use the Service ("contractors' personnel");
- possess an e-mail address registered in the CERN databases;
- possess an RFID access card.

---

1 Conditions for the use of vehicles belonging to or rented by CERN by contractors' personnel with a contractual link to CERN
2 As defined in Article S I 2.01 of the Staff Rules and Regulations
3.2.2.2 The cars of the CERN car-sharing service are made available to members of the CERN personnel and contractors' personnel in the framework of their activities at CERN and for professional use only:

- from 8.00 a.m. to 6.00 p.m. for a maximum continuous period of 4 hours.
- from 6.00 p.m. to 8.00 a.m. for a maximum continuous period of 14 hours.

3.2.3. Use of the cars for personal purposes is strictly forbidden.

3.2.4. In the event of any damage to a CERN car caused by the User, all the associated expenses will be charged to the relevant budget codes according to the current pricing schedule.

3.2.4. RFID access cards and the associated passwords are strictly personal and non-transferable. Cards may not be lent, rented or otherwise transferred to another person.

3.2.5. Users are given a copy of the conditions of use when they collect their card from the Car Pool. A user guide is also sent to them in the e-mail they receive to confirm their registration.
